

It is time to RSVP for the May 11th TWiB Luncheon!

*We have a great speaker this month, **Linda Clark**. Linda is a professional artist, graphic designer and social media consultant. Her previous experience has been in Newspaper, Magazine design and a freelance designer in Silicon Valley. Currently Linda lives in our beautiful Central Coast of California. She has been in the graphics industry for over twenty years and has experienced major technological changes in the graphics and advertising business. Each technological advance brings power to small business owners, offering viable and economic opportunities to expand their businesses.*

Our business spotlight is Amber with Harmony Massage.

The luncheon will be on May 11, 2010 at noon at 3090 Anderson Road. (Take 46W approximately 2.5 miles and turn right on Anderson Road and right into the Eagle Castle Winery. The luncheon will be in the Crown Room which is to the right when you walk into the Castle).

The cost is still \$20.00

If anybody wants to bring a raffle item, please do; just contact Carrie beforehand so she can work it into the lunch.

Remember, with the new venue we will have to be more diligent in regards to our RSVP system. You will have to RSVP by the date given or you will not be able to attend that month's luncheon and if you do RSVP and do not attend, we will have to bill you since we are paying for the lunch regardless if you come or not.

Please RSVP by May 7, 2010 by emailing Carrie at cavb@vanbeurden.com or calling 238.2181.

You can prepay with a credit card by calling Maria at 369.5191 (this is a secure line so you may leave information on the voice mail) or pay at the door by credit card, cash or check.

We hope to see you there

TWiB Board
